MAGNIFIK

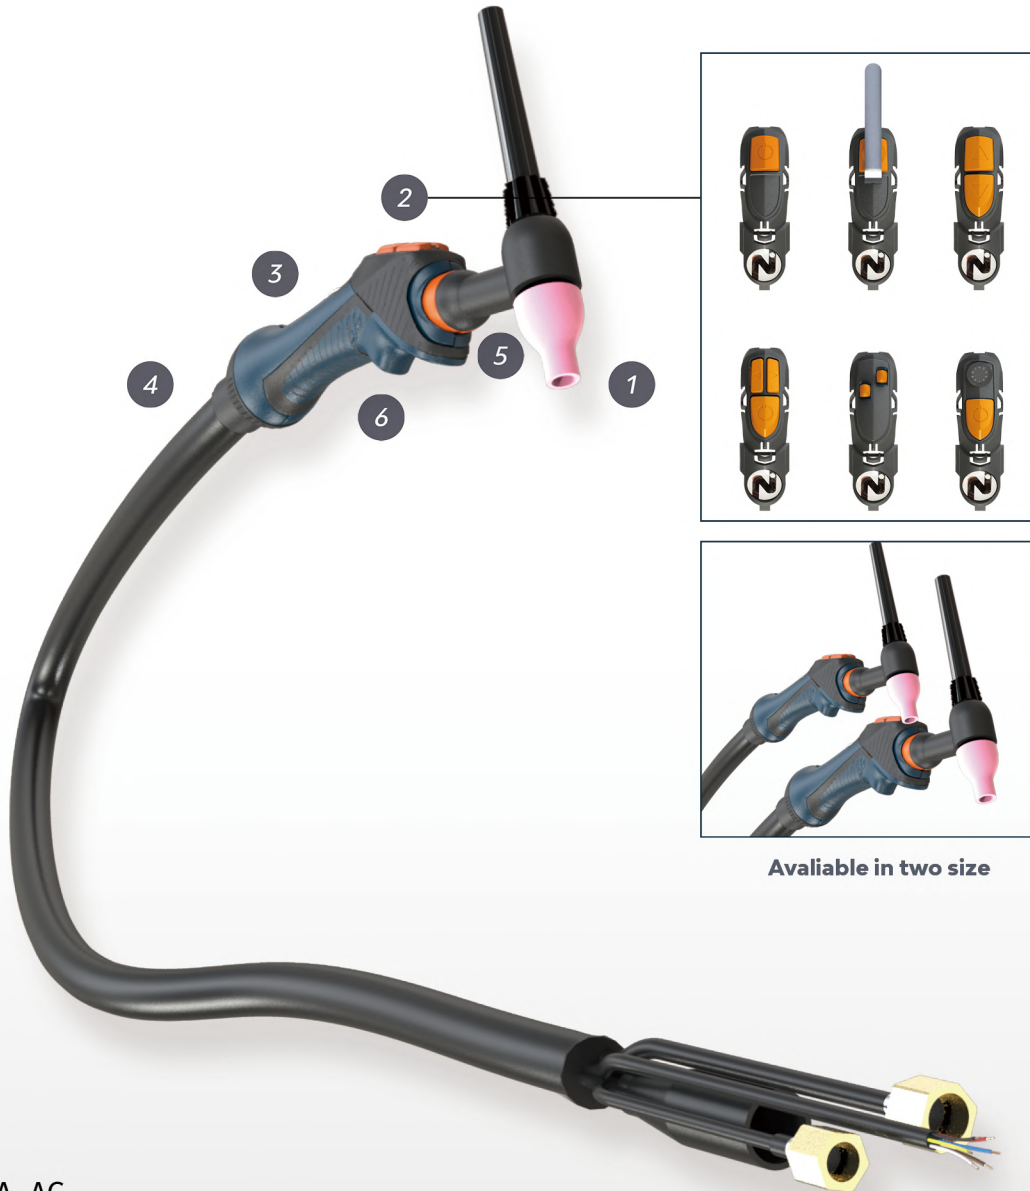

- 350A, CO<sub>2</sub>
- 550A, CO<sub>2</sub>

## THE FEATURES

- 1 Consumables**  
CNC machined consumable. Unique Proprietary design. Patented technology.
- 2 Switch Modules**  
Available with single, double, triple and digital buttons.
- 3 Ergo Handle**  
Ergonomic, lightweight and solid handle construction. Quality engineering nylon used.
- 4 Knuckle Joint & Cable Support**  
Cable supported by ball joint.
- 5 Trigger**  
Wider trigger switch and long life micro switch for superior operation.
- 6 Hose**  
Welding application tested and robust hose.
- 7 Back End Housing**  
Available in Euro type. Ribbed for solid grip.
- 8 Machined Components**  
5 axis CNC machined parts.
- 9 Make it your own**  
OEM your logo, brand and packaging.

# TIG WATER TORCH FEATURE POINTS

Available in two size

# MAGNIFIK

230A-360A, AC

## THE FEATURES

- 1 Consumables**  
Long life consumables.
- 2 Switch Modules**  
Many switch options available. Unique design that keeps dirt & water away from PCB.
- 3 Ergo Handle**  
Soft rubber integrated in handle for optimum grip. Premium quality engineering nylon used.
- 4 Knuckle Joint**  
Smooth revolving ball joint.
- 5 Rotatable Torch Body**  
Keep vertical or rotate neck 45° to left or right side. Flexible settings to allow you to reach in difficult areas.
- 6 Ergonomic Bump**  
Vertically curved front cap with grip lines for comfortable and stable pen grip.
- 7 Perfect Machine Contact**  
Gold plated spring-pin contacts for optimal contact of switch and machine.
- 8 Machined Components**  
5 axis CNC machined parts.
- 9 Make it your own**  
OEM your logo, brand and packaging.
